Project: Forest Hill Public Schools Playground Equipment
Bid Date: 3/19/2009
Bid Time: 12:00 PM
Project Location: Grand Rapids, MI

Bid Documents Availability:
Project Specifications and Bid Forms are attached.

Description / Scope of Project:
Furnish and install new Playground Equipment and Safety Surfaces.

There are four individual elementary schools; each will receive new playground equipment. Each school is to be bid separately. A Voluntary Alternate, to be submitted with the bid, to combine the bids for each school will be taken into consideration in determining award of the contract.

At the time of the bid, please provide equipment delivery lead times and installation durations for each school.

If the new equipment is installed during the school year, provide temporary fencing around the work area to separate it from the rest of the existing playground. If delivery lead times allow, it is intended that the work will begin prior to the start of summer vacation.
